**T**he EMPIRE STATE BOOK TOUR features a triad of in-person and virtual book events, offering authors the best opportunity to present their work and succeed in a post-pandemic publishing market.

For booklovers, the EMPIRE STATE BOOK TOUR offers a one-of-its-kind opportunity to experience literature and art from the best of both worlds this fall of 2022.

ReadersMagnet kicks off the tour with THE FESTIVAL OF STORYTELLERS CHAPTER 3 (October 24-November 6, 2022), our flagship digital-only book festival. We create a community of authors and booklovers, not just according to state or genre but by bringing everyone together through technology. The Festival is a space to share stories, exchange ideas, connect, and inspire one another.

Next, we follow up with the READERSMAGNET BOOK CONFAB (October 24-November 6, 2022), our first-ever pop-up event. In this event, we showcase, among others, the authors who will be holding meet-and-greet sessions at the NYLA 2022 Annual Conference & Trade Show. Authors get to read excerpts of their work before a learned audience.

Then we close the tour with the NEW YORK LIBRARY ASSOCIATION 2022 ANNUAL CONFERENCE & TRADE SHOW (November 3-4, 2022), one of the best state library shows in the U.S. Check us out at the Trade Show, where we will exhibit the finest works of our authors and conduct meet-and-greet-sessions.
